to Justine Hernandez

Dear Ms. Coss:

I want you to know how much I appreciate the effort that Justine Hernandez did in requesting the monthly payment to ADF be cancelled so that the three payments to our creditors could be paid this month.

By ADF approving the cancellation of the monthly fee, we were able to continue with the settlement and stipulation with Target National Bank to keep us out of court.

Words cannot express enough how much I appreciate this effort from Justine and ADF.

Thank you for your help in this matter.

Sincerely,

Karen and Louis
