

Eric,

Hello! I hope you had a wonderful weekend. You deserved it.

I have meetings starting at 11:10 a.m (my time) and did not know if I would get a chance to call you. I needed you to know about a phone call I got Friday, February 8th at 5:25 p.m. I had just got home and my Mom misunderstood her and thought it was from someone I work with. She gave it to me and the woman thought she had been transferred her to me (told her that I was not Laurie... so she thinks that I am Laurie's (my) sister. She also wanted to know if I (Laurie) lived at this number and I neither confirmed nor denied it. I just said that Laurie took her calls on her cell phone and not her Mother's phone and that she should call her on it. She said she did not have the cell number and would I give her the following information when I saw Laurie. Her name was Morgan with OXFORD MANAGEMENT SERVICES and her number was 1800 - 982 - 6096 EXT. # 127. She said it was in regards to a claim. Eric I wonder if the Omni lost the account and this company has it now. Can you find out and call me if I can answer I will and I can't you could leave me a voicemail and I can call you when I can.

Also the check I sent last Thursday, February 7th was attempted to be delivered on Saturday, February 9th. The message I read said a notice was left and would attempt redelivery or pick up at post office and possibly returned to me. So please keep a watch out for it and maybe check for the notice left. Because I really want you to get the check on Monday, February 11th.

Also did you find out anything from Marie Rogers with Home Depot Account. I also would like you to know how much I appreciate everything you do for me and all the time you put in on my account to get the very best settlements you get. I know it is not easy with my account. But you are very much appreciated by me.

Thanks :)
Laurie
