This letter is to request that I cancel my account and automatic deductions from my bank account with American Debt Foundation. Due to the financial obligations that I have I have decided to file for chapter 13 Bancruptcy. I am unable to financially continue with American Debt foundation. I have received awesome customer service and support from Betsy which was most appreciated in my time of difficulty.

Thanks in advance for taking care of this matter as soon as possible. If there are any further concerns or questions please do not hesitate to call me at [REDACTED]

(please reply to this email upon receipt)

Thanks,
